SURROUNDED BY MYSTERY!

A Great Mistake.

A recent discovery is that headache, dizziness, illness, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerve force; that indigestion, dyspepsia, neuralgia, pain in stomach, etc., arise from the derangement of the nerve centers supplying these organs with nerve fluid or force. This is likewise true of many diseases of the heart and lungs. The nerve system is like a telegraph system, as will be seen by the accompanying cut. The little white lines are the nerves which carry the nerve force from the nerve centers to every part of the body, just as the electric currents are conveyed along the telephone wires to every station, large or small. Ordinary physicians fail to regard this fact instead of treating the symptoms for the sake of the doctor, disregarding the root they treat the part affected.

Franklin Miles, M. D., L. B., the highly celebrated specialist and student of nervous diseases, and author of many noted works on the subject, has since realized the truth of the first statement in his "Restorative Nervine" is prepared on that principle. Its success in curing all diseases arising from derangement of the nervous system is wonderful, as the thousands of unsolicited testimonies in possession of the company manufacturing it will testify.

Dr. Miles' Restorative Nervine is a reliable remedy for all nervous diseases, such as headache, nervous debility, prostration, sleeplessness, dizziness, hysteria, sexual debility, st. Vitus' dance, epilepsy, etc., and is sold in doses of one drachm, two drachms, or one drachm by the Dr. Miles' Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles for \$5, express prepaid.

Restorative Nervine positively contains no opium or dangerous drugs.
